

## First 5 Napa Network

- Increase Community Capacity (Leadership Skills, Collaboration and Connectivity among cross-sector Napa County leaders through the First 5 Napa Network).
- Increase Community Supports and Reduce Adverse Community Experiences for children 0-5 and families through design team work, other collaborations between network members, and network members' organizations.
- Bring Human Centered Design and Systems Thinking Strategies and an Equity Lens to current and emerging community initiatives that impact children 0-5 and families.

## Supportive Community Environments for Children 0-5 and Families

Increase Financial Resources  
Reduce Poverty

Increase Safety  
Reduce Violence, Harassment and Discrimination

Increase Family-Friendly, Stable Employment Opportunities

Increase Access to Respectful and Quality Education, Health and Social Services

Increase opportunities for families to connect and actively participate in community

Increase Quality and Affordable Housing
